INTRODUCTION

Welcome to the Strongsville Cooperative Preschool. This handbook is meant to help guide our members through the co-op experience. Please include Attachment #1 (School Calendar), #2 (Current Tuition Costs and Payment Options) and #3 (Current Board Members and Teachers Contact Information) to your handbook. These attachments are updated annually and distributed at the General Meeting. Should you have any additional questions, please contact the director, teachers or board members.

HISTORY

A Strongsville woman, Mrs. Alice Signorelli, founded the Strongsville Cooperative Preschool in 1959. For her Master's Degree in Education she had to organize and operate a cooperative nursery school. The first class was held in the United Church of Christ. Later, the school was moved to the First Lutheran Church. In 1975, the preschool moved to 14009 Pearl Road. Originally, Ohio Bell owned the building. From 1970 to 1975 the Strongsville School for the Retarded occupied the building. After this school disbanded, the officers of our preschool purchased the building in 1980. The mortgage on the school was paid in full in 1988. In August, 2010, the preschool moved to 15245 Tracy Lane. This building, originally a small church, was renovated with an addition for the art room, a large playground and expanded parking as part of the deal to sell the Pearl Road property to Catan's, Inc. No mortgage was accrued. The construction was started in May 2010 and completed in August 2010. Many local people volunteered their time and talents to make our preschool what it is today. To all of them, we are grateful.

PHILOSOPHY

The philosophy of the Strongsville Co-op Preschool, Inc. is stated in our motto:

“Together we work,
Together we play,
Together we grow.”

The program goals are to provide an environment that fosters and nurtures children's physical, social, emotional, and intellectual needs. This is accomplished through play. Play has intrinsic value to children. By giving this time to the children, we, as adults show children that we value their choices, interests and ideas. Observing children's play enables teachers and parents an opportunity to introduce new experiences, materials, possibilities, ideas, skills and even problems into their play and exploration. We work together to promote a useful exchange of ideas.

Our preschool offers your child a chance to play comfortably with other children in a happy safe environment geared to his/her interest and needs. Sharing a preschool day can help form a special bond between child and parent. In addition, we offer the parent opportunities for interacting with children and other parents who face similar pleasures and challenges.

At the Strongsville Co-op Preschool, we provide both the stimulus and the means for children, parents and teachers to grow together. We offer opportunities for cooperation, challenge and creativity.

WHAT IS A COOPERATIVE PRESCHOOL?

A cooperative preschool is one in which both the child and the parent “attend.” When you enroll your child, you also enroll yourself as a member of the Strongsville Co-op Preschool. Our goal is to make preschool a positive experience for the children and to promote a greater understanding of early childhood education for the parents.

MEMBERSHIP

Membership in the Co-op is open to parents with children from ages three to five years. Parents must be willing to assume the responsibilities of a co-op preschool. A child may be enrolled for a full year or the balance of a current school year. Before a child may attend, required paperwork must be completed, Child Enrollment and Health Information (JFS 01234) and Child Medical Statement (JFS 01305).

BUDGET

Our preschool is a non-profit corporation. Tuition is the source of revenue. Tuition is determined by the cost of financing the program. Each member will receive a copy of the current budget at the beginning of the school year. Money for special purchases and building improvements is raised through various fundraising projects.

LICENSURE

The Strongsville Co-op Preschool is licensed to operate by the Department of Job and Family Services. A license is posted in the building for review. The law and rules governing child day care are available at the school for review upon request. The preschool’s licensing record is available from the Ohio Department of Job and Family Services. Their toll-free number is 1-866-635-3748 ext.3 and may be used to report suspected licensing violations.

The preschool is licensed and authorized to serve up to twenty-eight (28) preschool children and 5 school agers in average daily attendance per class session.

The Strongsville Cooperative Preschool does not discriminate on the basis of race, color, religion, sex, national origin, or disability.

Section II

ROLES AND RESPONSIBILITIES

Parents, teachers and board members all have important roles and share responsibilities to ensure that our preschool program runs smoothly.

PARENTS

Participating in a Co-op preschool allows you to observe the growth and development of your child, as well as, other children in a school setting. At the same time, you help provide a happy, safe environment for the children to learn about themselves, others and the world around them.

Parent participation is required in the classroom and as a member of the governing board or on a standing committee. Standing committees allow members to share in the smooth operation of the preschool. (Please see Appendix D and E for committee responsibilities and assignments.) (Please see Section IV, Participatory Delinquency Fines for possible penalties.)

As a member of the Strongsville Co-op Preschool, either you and/or your spouse are responsible for:

1. Paying tuition promptly by the first of each month.
2. Attending two General Meetings, and participation in one mandatory fundraiser event.
3. Assisting as a parent helper in scheduled class sessions (approximately once a month).
4. Serving on the Governing Board or on a standing committee.
5. Assisting in the maintenance of equipment and upkeep of the school including general cleaning of the building once a year (also referred to as a "Cleaning Party").
6. Auto Insurance.
7. Attending the required number of field trips.
8. Getting your child to and from school on time.
9. Complete and return all required enrollment forms (JFS 01234 Enrollment Form and JFS 01305 Child Medical Statement)
10. Classroom rosters are generated in accordance with form JFS 01234. Members needing contact information, may request such from the administrator.

DIRECTOR

The Director has overall responsibility for and oversees the teachers and educational programs conducted at the preschool including, overseeing the curriculum, and supervising the ordering of academic supplies and inventorying of the equipment. The Director is responsible for communicating with the state-licensing inspector and coordinating, with the Vice-President, the procedure required for accreditation (if applicable). The Director also maintains relationships with local agencies and colleges that might provide assistance to the school and our membership. The Director assists in hiring new teachers and participates in the grievance process (Appendix C).

The Director's responsibility to the Governing Board is that of an employee. The Director is responsible for communications from and to the board and will relay the information to the other teachers.

TEACHERS

The teachers have an important and unique role in the school. Their areas of responsibility are broad because they are to the children, to the parents and to the Governing Board.

Teachers provide a program that is geared to the age, interest and ability level of the children. Through daily lesson plans, they choose a variety of activities that promote physical, social, emotional and intellectual development. The major goals of the 3 year-old program are to give the child a variety of "hands-on" situations and to ease the separation from home. The teacher to student ratio for the 3 year-old program is 1:8 with maximum group ration 2:16. The 4 year-old program is similar, in that it continues to build on the above mentioned goals and also provides activities for kindergarten readiness. The teacher to student ratio for the 4 year-old program is 1:11 with a group ratio of 2:22.

Teachers also instruct and supervise the parents in the classroom. They help the parents become more independent and confident in their relationships with the children. On your parent helper days, they can help you understand your own child as well as the other children.

The teacher's responsibility to the Governing Board is that of an employee. Teachers must attend regular board meetings, continue their education through seminars and meet with staff members to discuss and evaluate the educational program.

GOVERNING BOARD

The Governing Board has administrative responsibilities for the day-to-day operation of the school. Because our membership changes from year to year, the Board helps maintain continuity by including members with previous experience in the school and/or who have previously served on the Board. Our Governing board is elected in April by the membership.

EXECUTIVE BOARD

The Executive Board consists of the President, Vice President, Treasurer, Assistant Treasurer and Secretary. The Executive Board's responsibility is to convene and act in the interest of the Co-op when time to convene the Governing Board is not feasible. Also, the Executive Board is specifically tasked with the hiring and dismissal of the teacher.

Section III

FACILITY

The newly-renovated facility has over 1,700 square feet of floor space for the children to enjoy plus additional space upstairs for teacher offices, meeting space for board meetings, conferences and storage. There is also space downstairs for large muscle activities, our annual Santa Shop, and storage. Behind the building is a fenced playground spanning approximately 1,600 square feet.

Section IV

POLICIES AND PROCEDURES

Each Co-op member should carefully review our school's policies and procedures. Please contact the director, teachers, or board members if you have any questions.

Monthly payments are due by the 1st of each month, August-April. Checks should be made payable to: The Strongsville Co-Op Preschool and placed in the outside dropbox. Tuition checks are not to be sent through the book bags. Please refer to attachment #2 for our current tuition rates.

DISCIPLINE

We believe in a discipline policy that ensures a safe environment for the children to work, play and grow. The Guidance and Management policy as described in rule 5101:2-12-20 of the Administrative code applies to all staff. See Appendix F

Our approaches to classroom behavior are positive. We believe in praise and positive reinforcement of good behavior. We intervene with the children's behavior when classroom rules are not followed and/or actions may be harmful to self or others. The procedures our teachers use for classroom management are designed with the specific situation and child in mind. They include:

1. Creating a list of rules with the children at the beginning of the year and continually reviewing
2. Discuss inappropriate behavior with the child and redirect his/her attention.
3. As a last result, give the child "thinking time" on a chair.
4. Turn off the lights and sit quietly for one minute (used for overall classroom control).
5. Report frequent negative behavior to parents. (A conference may be requested to determine future action and assistance for the child, if necessary.)

Parent helpers may separate and redirect children but should consult the teacher for managing difficult situations.

It is our goal to provide each child a safe and positive learning environment where he/she can experience both social and academic growth. We recognize that all preschoolers do not develop equally. Some experience difficulty with separation, toileting, routine and structure, or relating to the group experience. The program allows an adequate adjustment period, but some instances require attention. When a child experiences prolonged difficulties, parents will be notified. A plan will be discussed and strategies implemented. If deemed necessary, staff and parents can agree to call upon an intervention specialist from the school system. If strategies are unsuccessful, it may be necessary to counsel the child out of the program. The school must make decisions based on the safety and the best interest of the whole group. It is important to remember that not every child is ready for the preschool group experience and may need additional time for growth.

PARENT PARTICIPATION

Like being a parent, being a Co-op member is a rewarding and challenging experience. The following policies and procedures are designed to make your new role a little easier.

General Guidance Techniques

Each parent should review our school philosophy as well as techniques used to handle situations. (See Appendix F) Consistency will help make the classroom run smoothly.

Here are some general guidelines:

- The safety of the children comes first.
- Try to foresee and prevent troublesome situations.
- Interact with the children and teachers during various activities.
- Expect a great deal of noise. Small children cannot be quiet or still for long.
- Tell the children what to do rather than what not to do.
- Be fair and objective.
- Give the children the freedom to choose their own activity and to work at it in their own way, whenever possible.
- Praise the type of behavior you want continued.
- Let the children settle their own quarrels whenever possible.
- Refrain from asking what a child has made or suggesting what he could make. Praise a job well done.
- Avoid discussing a child in his/her presence.

If children ask for help:

- Encourage problem solving.
- Encourage play in which the child can succeed.
- Make suggestions when children seem discouraged rather than doing things for them.

If children need guidance in getting along with each other:

- Help them learn the rules of the group. (All playthings belong to the group and they may have to wait for their turn.)
- Help them learn to show respect for other's feelings.
- Encourage taking turns.
- Help them understand that if their play disturbs the group or is dangerous to themselves or to others then it is not permitted.

Parent Helper Days and Substitutions

A parent's chief duty in the day-to-day operation of the school is to take turns assisting the teachers. Parents are assigned a "helper day" on a rotating monthly schedule. We try to keep your commitment to once a month but on occasion it may be twice. If you are unable to help on your scheduled day, please arrange for a substitute. Other parents are usually willing to trade days. Please let the teacher and the class scheduler know about the change.

Duties

On your parent helper days, please arrive fifteen minutes early to:

- Review the day's lesson plans.
- Assist with classroom set-up
- Prepare snacks/drinks (parent helpers bring a snack)

After the children arrive:

- Check school bags for notes to teachers, board members and other parents and then re-distribute.
- Check front counter and board member's mailboxes for anything to be put into the school bags. Stuff school bags at the beginning and near the end of the session.
- Encourage children to take off and put on outdoor clothing independently, help only when necessary.
- Greet visitors and handle any questions you can. Teachers will meet briefly with prospective members during free playtime. Ask visitors to call the membership chairperson for further information.

After the session, remain approximately 10 minutes longer to complete the following clean up tasks:

- Thoroughly clean the restrooms.
- Sweep and mop the art room and bathroom floors and vacuum the carpet.
- Put away all materials, toys, games, equipment, etc.
- Take the trash bag home if it is almost full (morning session). Half-empty trash bags can be left for the afternoon session. All trash bags should be taken home after afternoon session.

If needed, nursing mothers are free to use the privacy of our upstairs room for feeding or pumping.

Dress

Please dress your child appropriately for preschool. We will be active and messy. Accidents can be avoided if clothes are easy off and on for toileting. Please dress for outdoor play when weather permits. Outdoor clothing (coats, hats, boots) should be labeled with child's name. Outdoor play is reserved for fair weather. We will not go outside if weather is wet, cold (below 50*), threat of storm or unsafe environmental conditions. Special occasions (winter theme day) will be arranged prior.

When you are a parent helper, dress comfortably and practically. Keep in mind that you will be working with paint, sitting on the floor, etc.

Drop-Off and Pick-Up

Please follow these procedures so that your child can get off to a good start each day:

Drop-off

- Be prompt in bringing children to school. Do not let the children out of the car until the teacher or parent helper greets them at the car door.
- Child's arrival will be noted
- Be sure your child has brought his/her school bag.

Pick-Up

- Be prompt in picking up the children.
- Call the teacher or write a note to the teacher if someone other than you or the regular car-pool parent will be picking up your child. This person will be required to show a photo ID when picking up the child.
- We will escort the children to the car. Please pull forward to buckle up so that we can keep our car line moving.
- It is helpful and safe to have the children enter through the driver's side rear door.
- Child's departure will be noted
- Check the school bag for notes and other communications.
- If a custody agreement is in place, a child may only be released to the custodial parent unless written instructions are provided.

Appendix E shows the drop-off and pick-up route.

Snacks

Our parent helpers provide daily snacks and we encourage healthy options (i.e. fruit, vegetables, cheese and crackers)(Peanut Free). If the class has any other dietary restrictions, we ask the parents to be mindful and plan accordingly. If a child has special dietary needs, parents may choose to supply their own snack. Extra snacks are always available at school.

If you plan a special birthday treat for the class, please keep it simple. For summer birthdays, you may still bring in a special treat and celebrate an "unbirthday". Please arrange a preferred date with the teacher.

WE ARE A PEANUT FREE SCHOOL. THANKS FOR HELPING KEEP OUR LITTLE ONES SAFE!

Field Trips

During the year the children will take up to 4 field trips, at the teacher's discretion. These trips are scheduled well in advance so the parents will have ample time to prepare for them.

Procedures for field trips are as follows:

- Parents drive their child directly to the trip location.
- Teachers may not transport children
- On occasion, the class time may be extended for a longer field trip. If so, all information will be included on the parent participation slip.
- Children must be secured in a car seat or booster seat while riding with you.
- Permission slips will be sent home in school bags. Written permission is needed from each family including child's name, destination, date of trip, parent signature and date signed.
- Siblings may or may not be permitted to attend a field trip. (please refer to the permission form)
- Smoking is not permitted on field trips.
- Children should be dressed so they can participate comfortably in planned activities.
- A teacher will take a first aid box on every field trip. All teachers are trained in first aid.
- The teachers will take emergency transportation authorization forms and health records on all outings.
- If you are not attending a field trip, you may make arrangements with another parent to take and attend to your child.

SAFETY

Our safety policies and procedures are as follows:

- No child will ever be left alone or unsupervised.
- Our school has immediate access to a working telephone at all times.
- A fire drill and emergency evacuation drill will be held at varying times each month. Alert plans (instructions) for fire drills are posted at the school. A record of fire drills is also posted at the school. The children will follow teacher/parent helpers from the building to the back of the play area or the adjacent parking lot away from the building, using closest exit. Along with fire/evacuation drills, severe weather drills will be conducted March through September.
- Intruder/threat of violence drills are also practiced quarterly
- In the event of an emergency where evacuation from the school is required, the children, teachers and parent helpers will walk to Southpark Square Senior Apartment Complex on Howe Rd., or to the Southpark Mall, located on Royalton Rd. The teachers will have taken with them all emergency forms, cell phone and all medication necessary for children. Parents will be called to inform the whereabouts of the children and explaining the reason for the evacuation.
- The Strongsville Emergency Squad will provide any needed emergency transportation from the school.
- When an accident or injury occurs, the teacher will complete an incident report and give a copy to the parent on the day the incident occurred.
- Spray aerosols will not be used when children are at school.
- Parents must not violate fire laws by smoking when helping with the children at school, while driving or while on field trips.
- Parents should not let children bring gum or candy to school unless it is a special treat for everyone.
- Teachers must be notified if a child should not be released to the custody of one parent.

HEALTH

Parents are asked to follow these basic rules to ensure a safe and healthy school environment:

- Keep your child home if within the preceding twenty-four hour period he/she has shown any of these symptoms: unusual irritability, diarrhea and/or vomiting two or more times, sore throat, skin rash, runny nose, fever of or over 100 degrees Fahrenheit orally, evidence of lice, or redness of the eyelid.
- Allow your child to return to school three or four days after the onset of a cold if he shows no fever or other abnormal symptoms and seems well, even if a nasal discharge and/or cough persist.
- Co-op teachers and parent helpers are not permitted to administer medication, vitamins ,or modified diets except in emergency situations where required by “Request for administration of medication” form and “Child medical/physical care plan” are filled out with instructions as to when and how the medication should be administered.
- Advise the teacher(s) if anything unusual has occurred since the child last attended school.
- Consult your physician about the quarantine period for a communicable disease.
- Telephone the teacher, director, or health chairperson if your child has a contagious disease so that we may alert the other Co-op members. Parents will be notified by letter if the children were exposed.
- Refer to the Communicable Disease Chart on the bulletin board for additional information.

- The Staff will not attend school with a suspected communicable disease.

Each teacher is trained in first aid to recognize the common signs of communicable diseases or other illnesses. Each child is observed before entering the group. If your child has the signs and symptoms listed below, you will be notified immediately. Your child will be isolated in a quiet area of the room until you arrive. A cot and blanket are available. When the child leaves, the area is disinfected and the blanket washed.

Isolate and Send Home:

- Temperature of at least one hundred degrees Fahrenheit when in combination with any other sign or symptom of illness
- Diarrhea (three or more abnormally loose stools within a twenty-four hour period.)
- Severe coughing, causing the child to become red or blue in the face or to make a whooping sound.
- Difficult or rapid breathing.
- Yellowish skin or eyes.
- Redness of the eye or eyelid, thick and purulent (pus) discharge, matted eyelashes, burning, itching or eye pain.
- Untreated infected skin patches, unusual spots or rashes.
- Unusually dark urine and/or gray or white stool.
- Stiff neck with elevated temperature.
- Evidence of untreated lice, scabies, or other parasitic infestations.
- Sore throat or difficulty swallowing
- Vomiting more than one time when accompanied by any other sign or symptom of illness.

Observe:

- Minor cold symptoms alone.
- Not feeling well enough to participate.

Procedure:

Mildly ill child may stay in the groups, but will be observed for worsening conditions.

In case of emergency and/or accident, the school will follow the posted medical and dental emergency plan and complete an incident report form. The school will administer first aid, summon emergency transportation (911) and contact parents. We require that all parents grant consent to transport in an emergency situation.

During the year, we will offer vision screening for the three and four year old classes.

We encourage that all children follow the recommended immunization schedule but respect each family's decision to follow their conscience. We will not deny enrollment but reserve the right to limit attendance if an outbreak is occurring in the area.

SUSPECTED CHILD ABUSE

Staff members who suspect child or sexual abuse will report it to the Director and call the "Child Abuse Hotline", (216) 696-5437, as required by law.

Parents who suspect that their child is being abused in any way should also call the Hotline.

Communication with the Co-op's Governing Board is also encouraged so that an internal inquiry can be made in order to protect the children.

MISCELLANEOUS

Closure

We follow the Strongsville City Schools schedule with regards to school closings due to weather. If circumstances occur at the building and we are unable to hold class, parents will be called.

Questions or Suggestions

Parents are encouraged to reach out to the teachers or administrators any time with questions, concerns or suggestions. Conferences are scheduled mid and end of the year. Additional conferences may be arranged when needed. Written progress reports are provided. Please share your thoughts. We strive to provide the best preschool experience.

Assistance

We believe in open communication. Both parents and staff are encouraged to reach out to the director, teachers, or board members if needing assistance in resolving problems relating to the Preschool.

PARTICIPATORY DELINQUENCY FINES

Choosing to be a Co-Op member comes with responsibility to the whole membership. Please remember our motto, "Together we work, together we play, together we grow. We understand that there are often conflicts, but please do your best to fulfill your commitment to the school. While it is not always easy to enforce some policies, it is sometimes necessary.

- After the first participatory delinquency (which would be the failure to fulfill one or more of the 11 responsibilities as defined in Section II, Parents), the member will receive a written warning informing them of the delinquency and expecting them to fulfill their obligation in another way. Such work or participation substitutions are subject to Board approval. After the second delinquency, the member will be required to pay a \$30.00 fine within 10 days. The amount of the fine will increase if it is not paid on time; \$35.00 payable days 11–15 after the due date; \$40.00 payable days 16–20 after the due date; \$50.00 payable days 21–25 after the due date. If the payment has not been received within 25 days after the due date of the fine, your child will not be permitted to attend school until the fine has been paid. Delinquency of 3 requirements within a school year constitutes grounds for termination of membership by the Governing Board subject to notice and hearing.

Further specific penalties regarding failure to fulfill Section II Responsibilities are as follows:

- Responsibility #5: With special regard to the once-a-year "Cleaning Party" obligation; if the parent helper has failed to attend the assigned "Cleaning Party" without securing a substitute, that person must work another party and also pay a fine of \$30.00. The fine will be paid, including increases, pursuant to the first paragraph of this section. If there are no remaining parties available to work, the penalty will be assigned by the Board in the form of substitute work or additional monetary penalty.
